

# Public Comment: Report on Harnessing the Data Revolution Activities

Members of the public are invited to provide comment on the findings presented in the report "Advancing Data Science Research: An Integrated Analysis" using the form below. The deadline to submit your feedback is Monday, August 31st, 2020 at 5 pm Eastern Time.

Visit [bigdatahubs.org/hdrcoordination](https://bigdatahubs.org/hdrcoordination) to download the report and learn more about the activities it covers. A fillable PDF is provided at the website for those unable to use Google Forms.

Please contact [hdr@bigdatahubs.org](mailto:hdr@bigdatahubs.org) with questions. Thank you for your valued input.

Would you agree that the report captures your own perspectives as part of the diversity of voices in the data science field?

Would you agree that the Key Findings present a compelling way forward for the data science field?

Do certain ideas deserve greater prominence than they were given?

What else should be represented in this report based on either your own experience, or your understanding of the data in this report?

Do you have any other comments to share that were not captured by the above prompts?

### Personal Information

Are you currently working on a project being funded by NSF's Harnessing the Data Revolution (HDR) grant mechanism?

Yes

No
